Clay County Fair Sets a New Eggs-on-a-Stick Record

(September 25, 2015) – The egg-on-a-stick continues to be a big hit at local fairs! Not only did the Iowa State Fair set a new record for eggs-on-a-stick, but the Clay County Fair did as well.

A total of 23,640 eggs-on-a-stick were handed out to fairgoers. This breaks last year's record by more than 1,500 eggs!

The egg-on-a-stick has become a tradition at the Iowa State Fair, and the Clay County Fair. We have several folks tell us how much they look forward to our booth every year.

People recognize the egg, as not only a tasty treat but also a nutritional treat. The egg is one of the few foods that naturally contains Vitamin D, and only has 70 calories!

Look for us, again, at next year's Clay County Fair!
