## Celebrate National Egg Day

**Urbandale, Iowa (June 3, 2017)** - As our celebrating of eggs and their superb functionality all throughout the month of May comes to a close, we have no need to fret. Our cause for celebration needn't end because June 3rd is National Egg Day! We can continue to be in awe of the amazing components that eggs encompass: packed with protein and amino acids, easily affordable, versatile, portable, and perfect for any meal of the day.

To commemorate this special day, the Iowa Egg Council is partnering with the Iowa Cubs for Saturday night's game at Principal Park. So whether you're a Cubs fan, or just an egg fan, stop on out at Principal Park and show your support for a great team and a great nutritional power house. First pitch is thrown at 7:08pm.
